

Campion Allante 535 Allante 535 | 2004

GREAT FAMILY BOAT

£9,750

Fuel Type:	Petrol
Colour:	White
Engine Size:	3000

The Campion Allante 535 is highly regarded as a versatile, family-friendly boat. Its standout points include excellent build quality, outstanding on-water performance, and highly efficient space management. [1, 2, 3]

Top Selling Points

Kevlar-Reinforced Hull: Many Campion Allante models feature APEX hulls with Kevlar reinforcements in the keel and transom, alongside a bonded stringer system. This makes the boat exceptionally strong, stiff, and capable of handling chop securely. [1, 2, 3]

Spacious Bowrider Layout: The forward seating area is deep and comfortable, providing ample room for passengers to relax or ride facing forward, complete with built-in grab handles and cup holders. [1, 2]

Versatile Water Sports Capabilities: The 535 provides plenty of power for wakeboarding, tubing, or waterskiing, especially when equipped with an aftermarket Roswell wakeboard tower. [1, 2, 3, 4, 5]

Comfortable Helm and Seating: The cockpit often features supportive swivel bucket seats with bolsters for the driver and front passenger, along with smart aft seating configurations (like a bench, sunpad, or jump seats) for catching sun or socializing. [1, 2]

Superior Fit and Finish: Campion is known for premium gelcoats, high-quality upholstery, and stainless steel hardware (cleats, rub rails, and ski hooks), giving the boat a luxury feel. [1, 2, 3, 4]
